WORKING GROUP MEETING 15 DECEMBER, 2011
The Regional Director's brief to Matt Carter (River Manager and Harbour Master) is to deliver the same level of customer service in 2012 as this year. Boaters were not comfortable with the statistics and questioned the service at some times this year. The amended Charter with agreed service levels will be delivered for consultation by end of January 2012.
As well as on EA Web it will be available in printed form.
